# Whitney

Whitney has a velvety-smooth, pliant texture with signature notes of toasted nuts, cured ham, and sweet cream. It pairs beautifully on a cheese board with cured meats, dried figs, and pickled shallots, served with a natural white wine. Modeled after classic melting cheeses, Whitney is an ideal cheese to use with a raclette machine; melt it atop a plate of roasted potatoes, garnished with cornichons and charcuterie.

Castello Reserve Gouda Cheese has an immensely complex taste and character and is referred as the "royal" gouda. It is aged for at least six months, which gives it a natural piquant flavor with a slightly nutty taste and a bold, dense texture, perfect for pairing with crackers and figs or pomegranates.

Castello Gouda cheese is crafted according to time honored European traditions and recipes that date back more than 800 years. The result is a great-tasting, mild and creamy slightly sweet flavor and smooth texture, perfect for recipes or cheeseboards.

An organic American original cheese recipe, Cowgirl Creamery's best-selling cheese has all the lusciousness you expect from a triple cream with a unique heart that upholds its texture. Named after the iconic landmark Mount Tamalpais that rises over the San Francisco Bay in Marin County, Mt Tam cheese is produced with organic, locally sourced milk and rises above the standard for bloomy rind cheeses. Mt Tam takes you from fudgy firmness to buttery softness with flavors spanning from bright creme fraiche to complex and mushroomy, evoking North Bay's lush green and gold pastures.

Floral Meyer lemon slightly sweetened with delicate alfalfa honey mixed into fresh goat cheese — tangy with a balanced sweetness and the brightness of California sunshine.

The mineral-rich air creates the perfect environment for transforming specially selected Le Gruyère wheels into wondrous depths of flavor. Each wheel is recognized instantly by the color of its rind – an unmistakable rustic brown patina – and its flavors of dried stone fruit, spice, black tea and hazelnuts with an earthy depth to captivate your taste buds. # PRÉSIDENT® EMMENTAL SWISS

## ORIGIN

French Président Emmental is produced in France's north-western region. This region has a warm, temperate, maritime climate, with luxurious landscapes and lush pastures where Pie Noire cows graze on a high-quality grass to provide the best milk.

## TASTE & TEXTURE

This Swiss type cheese is made from pasteurized milk of grass fed cows not treated with rBST. It is a cooked and pressed cheese with a firm ivory to pale yellow paste. Emmental wheels have convex edges and are covered with a golden-yellow dry, hard ring. One of the most striking features of Emmental is the 'holes' or 'eyes', as they are popularly called.

## WINE & FOOD PAIRING

Emmental is a "ready-to-eat" platter cheese. In cooking, it is often melted and browned on top of dishes. Blended with Gruyere cheese, it is also used for fondue. Pair it with white or light red wines from Southeastern France like Côtes du Rhône.
