Each handcrafted wheel of **Humboldt Fog** features a distinctive ribbon of edible vegetable ash. You'll enjoy buttermilk and fresh cream, complemented with floral notes, herbaceous overtones, and a clean citrus finish. As this cheese matures, the creamline develops and the flavor intensifies.

Aged six months or more in Holland, **Midnight Moon®** is a blushing, ivory-colored goat cheese that's nutty and brown buttery up front with a long caramel finish. Similar to a Gouda, as Midnight Moon® ages, protein crystals form and lend a slight crunch to the otherwise dense and smooth cheese.

**Lamb Chopper®** has a buttery color, smooth texture, and is mild on the palate, but don't equate "mild" with "lack of complexity" — this is a nutty, subtly sweet cheese that's semi-firm and meltable, thanks to the higher fat in sheep milk.

## READY-TO-DRINK COCKTAIL MIXERS

- Real juices and natural roots and extracts
- No artificial flavors, colors or preservatives
- Only 55-60 calories per 7oz. bottle
- Lightly sweetened with cane sugar
- Kosher, Gluten-free, Non-GMO
- Contains no alcohol

## GROWN-UP SODA

Made with about 40% less sugar than typical sodas, GuS Sodas lack the cloying sweetness found in mainstream sodas. Real juices, natural extracts and a light amount of cane sugar give these sodas a dry, refreshing "grown-up" taste profile. This crisp, less-sweet taste makes them an ideal accompaniment to fine food and as a base for easy-to-make cocktails.

Firehook had longed for a neighborhood bakery, like the village bakers in their hometown. Crackers were part of their taste memory, so they developed their own — crunchy, well-seasoned, unevenly beautiful — and sold them alongside their breads and pastries. Whole and healthy ingredients made for savory, addictive crackers — perfect for a Mediterranean inspired diet.

Harbison is a soft-ripened cheese with a rustic, bloomy rind. Young cheeses are wrapped in strips of spruce cambium, the tree's inner bark layer, harvested from the woodlands of Jasper Hill. The spoonable texture begins to develop in our vaults, though the paste continues to soften on the way to market. Harbison is woodsy and sweet, balanced with lemon, mustard, and vegetal flavors.

Harbison is a great excuse to gather a few friends and scoop into a decadent treat. When a bit younger, the bark can be peeled away for sliced portioning. If the bark has fused with a more loosened paste, then the best approach is to leave the bark intact and spoon out portions from the top. Pair with oaked white wine, or barrel-aged sour beer. Fruit mostarda and crusty bread make nice accompaniments.

Bayley has developed a loyal following because of its fudge-like texture, toasted-nut sweetness, and anise spice character. The paste is dense and creamy, with well-distributed blue veins. The usual peppery character of blue cheese is subdued, giving way to the grassy, nutty flavors in the milk.

The texture and flavor make Bayley an ideal choice for any lover of blue cheese, but with a balance of flavors that renders it accessible to those new to the style. Try pairing with a fruity red dessert wine, toasty Imperial Stout, or a hunk of dark chocolate. Bayley is also ideal for crumbling over a juicy burger or adding to a salad with spinach, walnuts, and dried tart cherries.

The first bite of an Effie's biscuit is a moment of pure delight. Lightly sweet with a bright finish of salt, they're more refined than a cookie, more dynamic than a cracker. Savor on their own or as a perfect companion for tea, coffee or a world of cheese. Either way, Effie's Homemade honors a rich, farmhouse tradition and continues the spirit of sharing simple pleasures.

## BelGioioso Ricotta Cake

# BELGIOIOSO®

This cheese is produced from the highest quality Wisconsin cow's milk and whey and boasts a fresh, clean flavor. With no preservatives added, each small batch is made to order, guaranteeing freshness.

### Ingredients:

1/2 cup sugar  
5 large egg yolks, lightly beaten  
16 oz. BelGioioso Ricotta cheese  
1/4 cup BelGioioso Mascarpone  
2 Tbsp. flour  
1/2 tsp. baking powder  
2 Tbsp. orange zest  
2 tsp. Cointreau orange liqueur  
1/4 tsp. Kosher salt  
5 large egg whites  
Fresh berries  
Powdered sugar

### Directions

Preheat oven to 350°F. • Line a 9-inch springform pan with parchment paper or grease with unsalted butter. • Add each of the following ingredients separately to a blender or food processor, pulsing in between each new ingredient. Start with sugar, add egg yolks, BelGioioso Ricotta, BelGioioso Mascarpone, flour, baking powder, orange zest, Cointreau liqueur and salt. Once all ingredients have been added, blend mixture until smooth and transfer to a large mixing bowl and set aside. • Beat the egg whites with an electric mixer until soft peaks appear. Gently fold egg whites into ricotta mixture. • Pour batter into springform pan and bake until center of cake is set, about 45 minutes. Allow cake to cool slightly before removing from the pan. Serve cake at room temperature topped with fresh berries and a sprinkle of powdered sugar.

Chuck Siegel, Charles Chocolates' founder, has always held very strong opinions about what makes great chocolate and those opinions have guided the development and production of every product made at Charles Chocolates. Key is the belief that chocolates are food--fresh food--and as such they should be made with only the finest ingredients. This philosophy has resulted in an obsessive dedication to finding the best chocolates, the finest cream and butter, fresh herbs, fruits and nuts, and not including anything that doesn't belong.

Calabro low moisture Mozzarella is made using a natural fermentation process, which produces a consistent melt and flavorful, buttery flavor. It has a denser texture and a tangier, saltier flavor than mild, milky fresh mozzarella. It's most popular use is on top of pizza but it can be sliced or grated and added to lasagna, sandwiches, quiche, dips, and so much more. It is also great for cheese platters and snacking.

# CALABRO
