SWEET FIRE CHEVRE This original flavor brings the concept of pepper jam & cheese to our fresh chèvre. While habanero brings the heat, our creamy goat cheese calms it down – all in one bite. Simply open and unmold the cup upside down to let the blackberry habanero syrup coat the goat cheese.

PLAIN CHEVRE Rich, creamy and smooth best describes our award-winning fresh goat cheese. As the foundation to every flavor we come up with, we ensure that our plain chèvre is delicious on its own. It's also flexible enough to enhance your next entrée, salad, or dessert. The end result is at the center of our passion for goat cheese.

SOUR CHERRY BOURBON CHEVRE This flavor reminds us of the classic Manhattan cocktail, but in cheese form. Simply open and unmold the cup upside down to let the sour cherry bourbon sauce coat our fresh chèvre. We recommend serving this cheese with crusty French bread. We're not the only ones who think cherries and goat cheese go together.

RED HAWK Named for the majestic local red-tailed hawk that soars over the Marin Headlands, Red Hawk is a washed rind triple cream made with organic, locally sourced milk. Red Hawk is for the bold, conveying the character of coastal Northern California. Beyond its rough and rowdy aroma, this cheese has a rich and meaty flavor with balanced notes of cured meats, wild sage, and a kiss of ocean air.

MT. TAM takes you from fudgy firmness to buttery softness with flavors spanning from bright creme fraiche to complex and mushroomy, evoking North Bay's lush green and gold pastures.

Using the finest ingredients, we can get our hands on, our fresh goat cheeses range in taste from fresh cream and citrus to lavender and wild fennel pollen, with unexpected and delightful flavors running the gamut in between.

Lamb Chopper® Aged Sheep Milk Cheese Made Exclusively for Cypress Grove in Holland.

Lamb Chopper® is our only sheep milk cheese, but that's not its only claim to fame. Lamb Chopper has a buttery color, smooth texture, and is mild on the palate, but don't equate "mild" with "lack of complexity" — this is a nutty, subtly sweet cheese that's semi-firm and meltable, thanks to the higher fat in sheep milk. Aged three months, Lamb Chopper® is a real crowd pleaser and a favorite with kids — some might even call it the "type O" cheese.

Midnight Moon® Aged Goat Milk Cheese Made Exclusively for Cypress Grove in Holland

Aged six months or more, Midnight Moon® is a blushing, ivory-colored goat cheese that's nutty and brown buttery up front with a long caramel finish. Similar to a Gouda, as Midnight Moon® ages, protein crystals form and lend a slight crunch to the otherwise dense and smooth cheese.

Our Havarti recipes have been creatively crafted in Nr Vium, a town in the middle of Denmark. This cheese is lusciously smooth, balanced, and mild enough to suit all palates. CAMBOZOLA CLASSIC

It's not a brie. It's not a blue. It's CAMBOZOLA. The exquisitely creamy CAMBOZOLA brings together in harmony two distinct styles of cheese: the rich creaminess of a brie with the piquant notes of a blue cheese. Smoother and mellow than a typical blue cheese, we call it our "beginner's blue," and it is a real crowd-pleaser. The velvety smooth texture and the mild aroma and flavor of blue cheese will awaken the senses for a totally unique cheese experience.
