Truffle Tremor®

A flavor powerhouse of ripened goat cheese.

You'll enjoy the heavy floral, herbaceous, and mushroom notes in this earth-shaking masterpiece. If you love Humboldt Fog and can't get enough of truffles, this is the cheese for you. Like other soft-ripened cheeses, Truffle Tremor® has a bloomy rind that allows the cheese to ripen from the outside in. As Truffle Tremor® continues to ripen and mature, the creamline develops and the flavor intensifies – an ooey-goey, ripe Truffle Tremor is not for the faint of heart.

Humboldt Fog®

Soft-Ripened Goat Milk Cheese from Humboldt County California

The Original American Original®. Conceived in a dream (yes, really!) by founder Mary Keehn, this masterpiece paved the way for soft-ripened goat cheese in America. Each handcrafted wheel features a distinctive ribbon of edible vegetable ash. You'll enjoy buttermilk and fresh cream, complemented with floral notes, herbaceous overtones, and a clean citrus finish. As Humboldt Fog matures, the creamline develops and the flavor intensifies.

taste the DIFFERENCE

Our award-winning aged cheeses are distinguished by their wrinkled, Geotrichum rind and smooth, delicate interior.

Bonne Bouche is French for “Good Mouthful” and our flagship aged cheese. As it ages, ash ripened Bonne Bouche becomes creamy and more robust in flavor. Named for the “Cream of Vermont,” **Cremont** is a double-cream aged cow and goats’ milk cheese with a unique cream color rind and luxurious, smooth interior.

St. Albans, a uniquely American take on the French St. Marcellin. St. Albans is an aged cows’ milk cheese and takes its name from the town of St. Albans, Vermont. Hand-shaped and aged for eleven days, these delicate cheese disks are packed in sturdy ceramic crocks that double as a baking vessel. Try it as Fondue for Two!

Bijou is a hand-shaped button of cheese with a dense center and wrinkled Geotrichum rind. Bijou evolves with time, gaining a sharpness and complexity after thirty days. **Coupole** is an aged goats’ milk cheese with a wrinkly edible rind and bright, fresh cheese taste. Coupole’s allure is attributable to the intriguing contrast between the strong ripened flavor of the rind and the delicate fresh taste of its interior.
