Artikaas Gouda is made using traditional, sustainable methods going back 2000 years. **Hay There** – Italian black summer truffles give this cheese its distinctive woodsy aroma and deep notes of earthy wild mushrooms. The precious truffles are generously sprinkled in to infuse the Gouda with umami goodness. **Red Wax Gouda** is as traditional as it gets – this gouda is creamy with a smooth, semi-firm texture. Made according to artisan methods handed down through generations this **Smoked Gouda** is smooth, creamy, infused with a subtle smokiness – it's the real deal!

Widmer's is the only factory left in the state of Wisconsin that still follows the authentic procedures of manufacturing Brick Cheese. In fact, they still use the bricks that Widmer used in 1912 to press their cheese! A staggering 10 lbs. of milk goes into 1 lb. of cheese. **Mild Brick** cheese is a young cheese that is mild and buttery sweet. Similar in flavor to Cheddar, **Colby** is softer & has a more open texture & moisture content. If you're looking for a truly versatile cheese, we've got a suggestion for you-

Butterkäse is mild enough kids will love it, yet creamy, decadent & sophisticated enough to serve with fine wines. **Matterhorn Cheddar** is Widmer's homestead cheddar blended with their original & alpine cultures for an unforgettable & unique cheddar flavor.

LA QUERCIA
CURED MEATS

Unique Dry Cured Meats

La Quercia began with creating premium quality American prosciutto, then applied what we learned to other cuts of pork. Our appreciation for cured meats grew out of the three and a half years we lived in Parma, Italy, prosciutto's area of origin, where we saw how the careful treatment of fine materials resulted in an accessible, sublime and entirely regional cuisine. Our ambition to create our own prosciutto came from our desire to take the bounty that surrounds us in Iowa to its highest expression. We seek to contribute to the growth of premium artisan-made American foods by offering unique dry cured meats of the finest quality.

POINT REYES

FARMSTEAD CHEESE CO

Not to play favorites, but our **Original Blue**, the cheese that started it all holds a special place in our hearts. Produced on our family farm since 2000, California's classic style blue cheese is

rindless, all-natural and gluten-free. The addictive flavor is bold with hints of sweet milk and a peppery finish. Made from raw, rBST cows' milk and microbial rennet. An American Cheese Society 2023 Winner. Inspired by the sheer natural beauty of our coastal climate and locale, **Bay Blue** is a rustic-style blue cheese with a natural rind. It is known for its fudge-like texture, mellow flavor and sweet, salted caramel finish. Our artisan approach inspired the name **Toma**, which is Italian for "cheese made by the farmer himself". Its buttery flavor and subtle, grassy-tang finish make Toma perfect for snacking or melting into your favorite dish. Toma is the perfect cheese to pair with the earthy and aromatic flavors of black truffles. Reminiscent of undergrowth, strawberries, dried fruit, and with hints of cocoa, the flavor marries beautifully with the buttery richness of Toma. **Toma Truffle** is the perfect decadent cheese for any occasion.
