artikaas®

Artikaas **Gouda** is made using traditional, sustainable methods going back 2000 years. Always smooth and buttery with a rich texture, it will develop some crystallization and caramel notes as it ages. **Edam** is semi-firm and mild with a subtle sweetness carefully ripened by hand. You'll find this Edam is slightly less creamy than our Gouda due to a lower fat content. **Youngsters Chimichurri Gouda** has savory garlic, fresh parsley and cilantro sprinkled throughout. Bright and herbaceous with a hint of spice, it gives a spark of flavor to any recipe! Our **Youngsters Double Cream Gouda** is known as Roomkaas (or cream cheese), you can taste the sweetness of pure Dutch milk in every rich bite.

Bertagni, the oldest producer of filled pasta since 1882.

Over 130 years ago, Luigi Bertagni set out to make filled pastas for the neighbors of his pastificio, a small pasta shop in Bologna, Italy. Fast forward a little over a century: Bertagni is still making pasta like Italian nonnas make in kitchens throughout Italy – with soft wheat flour and a bounty of eggs, for sheets of silky, tender pasta that taste delicate, but won't fall apart in cooking.

The fillings, which are the true hero of filled pastas, are made with premium cheeses from Italy.

Vegetables are roasted, sauteed, or just mixed in on site, in small batches, in order to maximize the taste and texture of each ingredient. We are proud of our fillings, which are creamy and flavorful, never dry or crumbly.

Modern techniques have been developed to mimic the traditional methods Luigi used so many years ago. The culmination of our efforts is the finest filled pastas available anywhere.

CRAFT MEATS

Columbus was founded on a stubborn pursuit of perfect taste. We've been committed to crafting great-tasting salami and deli meats for over 100 years. And while a lot about us has changed since our founding in 1917, the best things have stayed the same. We use only premium cuts of pork & beef, and whole chicken & turkey breasts in our products- never the "chopped & formed" meat others use. We use a special blend of spices- each one carefully sourced & chosen to highlight the flavor of the meat. From slow-aging our salami to curing our Italian specialties & slow roasting our deli meats. We don't take shortcuts. We're committed to using more natural ingredients which includes some products made from animals raised without antibiotics.

DRY AND REFRESHING. NOT TOO SWEET.

Made in Small Batches. As a small, family-owned business founded in 2003, we take pride in making our product in small batches using a limited-production bottling process. This ensures that raw materials are fresher. **Simple Ingredients.** Our sodas contain simple ingredients without containing any artificial sweeteners, flavors, colors or preservatives. We source only the highest quality juices, natural extracts and flavors, and cane sugar to provide a pure, clean and sophisticated taste. Instead of using off-tasting low-calorie sweeteners or filler juices, we simply cut back the sugar to achieve a dry, refreshing grown-up taste profile. This crisp, less-sweet taste makes them an ideal accompaniment to fine food and as a base for easy-to-make cocktails.

Fromager d’Affinois is a luscious, melt in the mouth cow’s milk cheese. Its rich and creamy soft texture releases a fresh and fine taste with a delicate flavor. Crafted in France’s Rhone-Alps it’s produced from milk that has been specially filtered to break down some of the fat content, yielding a lighter, smoother, silkier texture than other Brie.

Discover the creaminess and flavor of Fromager d’Affinois combined with the freshness of mild garlic, fine herbs- chives, parsley and chervil, and a hint of salt. This luscious double crème is flawless with a tender bloomy rind with a beautiful sprinkling of earthy green and a slightly sweet, buttery paste.

Laura Chenel’s Goat Cheese Brie is an American original cheese made exclusively in California.

This soft-ripened wheel begins with fresh local goat milk and a thin bloomy rind and a velvety texture that quickly becomes oozy. Grassy and nutty flavors are balanced by hints of lemon and a clean finish. Creamy and fluffy, **Chabis** is a pillow of fresh goat cheese. Retaining more moisture than our regular **Logs**, which makes them ideal for spreading, creating tasty dips or thickening sauces or soups. Try our NEW Mango Habanero – a sweet, spicy & creamy log inspired by the rich culinary influences of Sonoma. Why marinate goat cheese? It’s all about the flavor. Our marinade slowly infuses flavors like **Thyme & Rosemary**, **Jalapeño Chili** and **Black Truffle** into our goat cheese and olive oil blend. Both the cheese and oil are amazing spread and drizzled on toast, baguettes, salads, soups and as a salad dressing.

Our artisan approach inspired the name **Toma**, which is Italian for "cheese made by the farmer himself". Its buttery flavor and subtle, grassy-tang finish make Toma perfect for snacking or melting into your favorite dish. Toma is the perfect cheese to pair with the earthy and aromatic flavors of black truffles. Reminiscent of undergrowth, strawberries, dried fruit, and with hints of cocoa, the flavor marries beautifully with the buttery richness of Toma.

WOMEN OWNED

At **Red Apple Cheese** we take the time to naturally cold-smoke our cheeses using our signature blend of apples and hardwood, preserving the texture of the cheese and imparting a better flavor. Our delicious, premium Wisconsin cheeses are 100% natural and made from rBST-free milk. We use time honored techniques and some new ones we've created like cold smoking for hours. No shortcuts allowed... ever. Try our signature Wisconsin gouda with really BIG flavors. From hickory smoked gouda with real Kentucky bourbon to a range of spicy cheeses – Honey Sriracha and Mango Habanero.

Saint André Triple Crème is nicknamed “the heavenly cheese” for good reason. A triple crème soft-ripened cheese with velvety smoothness, Saint André hails from Pacé, a mountainous village in Normandy. The region is luscious with temperate climates, allowing the cows to graze outside for most of the year. Spread it easily over a sliver of toast – and let the sunshine melt happily on your tongue. **Supreme Brie** is sourced the same day that it is put into production. This focus on freshness creates a smoother, creamier, and more spreadable brie... and of course it’s always rBST free. Crafted in Lena, Illinois.

TASTE REPUBLIC

Finally, gluten-free pasta done right

We believe fresh pasta can be gluten-free and still have the same amazing taste and texture as “regular” pasta. That’s the standard each of our products has to meet before ever making its way to your plate. Taste Republic was born from a passion to help. That drive led to the creation of numerous gluten-free and grain-free pastas that continue to set the standard for what’s possible.
